GOVERNMENT OF MADRAS

ABSTRACT

MADRAS ELECTRICAL SUBORDINATE SERVICE - Draftsmen II Grade - Direct recruitment - Amendments to Special Rules - Issued.

=s=s=s

(4) in Annexure I, under category 6, the entries relating to Draftsmen, III Grade, shall be renumbered as item (iii) and after the entries relating to "Head Draftsman", the following entries shall be inserted as item (ii), namely:—

"(ii) Draftsman, II Grade.	(a) (i) A diploma of L.C.E. of the Government School of Technology or Examination Board, Madras; or (ii) the certificate granted by the College of Engineering, Guindy on completion of the course prescribed for the lower subordinate class; or (iii) a pass in the Examination prescribed for— (1) the Engineering Subordinate Class or (2) the Overseer Class; or (3) the Sub-overseer class; or (4) the Surveyor Class; or (5) the Draftsman Class in the College of Engineering, Guindy; or (iv) a pass in the Special Examination for Group Certificate in Building Drawing which has been prescribed for Draftsmen in the Government Technical Examinations, Madras, and (b) Practical experience as Draftsman in drawing and design for a period of not less than three years, preferably in a Government Department."

2. As the maximum age limit for the direct recruitment of Head Draftsman is 35, it is considered more appropriate to prescribe 33 years as the maximum age limit for the direct recruitment of Draftsman II Grade, instead of 38 years proposed by the Chief Engineer (Electricity). If qualified candidates within the age limit of 33 years are not forthcoming, the Chief Engineer may in really deserving cases propose exemption from the age rule.

3. The Chief Engineer, Public Works Department (General) and the Chief Engineer (Highways) are requested to submit proposal for amending the special rules for the subordinate services with which they are concerned to provide for direct recruitment of Draftsmen, II Grade.
